

Pasta & Meatball Dinner

In Honor of the Beloved

Jerry Topinka

Jerry was ever the willing volunteer. Ellie Taylor and a host of people who knew Jerry volunteered to organize an Italian Dinner in honor of our steadfast friend Jerry Topinka. Spaghetti and meatballs were his favorite dinner.

Jerry was a proud Democrat. He enjoyed serving with Lincoln County Democrats in any way, always bringing a positive and cheerful commitment to needed work. He brought the same commitment to helping friends and others with the gift of his time.

It would make Jerry proud to know that all proceeds will be donated to the Lincoln County Democratic Committee in his name.

If you can, we invite you to become a host with a \$50 contribution.
