

The Lincoln County Democratic Committee (LCDC) works at the grassroots level year-round to promote Democratic ideals of fairness and honesty. We believe in promoting policies that strengthen families, quality educational opportunities for all people, a decent day's pay for an honest day's work, affordable healthcare, fair taxes and thriving communities. Surrounded by the natural beauty of our state, we place a particular emphasis on effective, efficient stewardship of our land and waters.

Please join our Frances Perkins Club

Newcastle's Frances Perkins is a national hero. Inspired by her vision of what good government can do, the LCDC created the Frances Perkins Club in 1996 as a way to recognize donors who make an investment in the Committee's efforts with an annual gift of \$150 or more within any calendar year*. To express our appreciation, we offer members exclusive benefits and recognition at our annual events and meetings.

Please consider making a donation of an annual amount of \$150-249 to be recognized as an Activist, \$250-499 to become a True Blue member or \$500+ to join the Perkins Legacy donors.

Thank you for your consideration.
