

BULLETIN: Election 2020

Thank you in advance for answering our call for change. The **Lincoln County Democratic Committee** (LCDC) is committed to bringing positive change and doing it with honesty and integrity, whether in people’s lives, throughout the halls of power, or even within our own party.

The change we are seeking won’t happen in a day. It will happen through months of dedication by all of us.

What else can **you** do to ensure that the politics of positive change prevail over that of divisiveness and hate? Any or all of the suggestions below will make a difference!

- Be certain you are registered to vote and then make sure you and your friends get to the polls on November 3, 2020 and VOTE!
- Work shoulder-to-shoulder with us by volunteering your time and talent. Contact Campaign Committee Chair Barbara Burt and let her know you’re ready to help create change. Call 207-318-6287 or email barbburtcampaign@protonmail.com.
- If you’re not already, become a voting member of Lincoln County Democratic Committee and help make change in the Democratic Party as well.
- Share this message with family, friends, and neighbors who would also like to see good things happen next November 3rd.
