

Connecting for Change Campaign 2020

GOTV TO DO LIST

- VOTE NOW!** In Lincoln County our clerks will make sure your absentee ballots will be counted. But there could be inclement weather, or you could experience a family emergency on Nov. 3 so ... **VOTE TODAY.** [Learn about your options and share your voting plan with us.](#)
- SPREAD THE WORD!** Whether in person, by phone, email or on social media, share reliable [voter information](#) & stories about our [Democratic candidates](#) so that your friends, family and neighbors are informed voters. On Facebook, add the "[LCDC voted](#)" frame to your profile pic!
- SHOW YOUR DEMOCRATIC SPIRIT!** Every week we are gathering to *Defend Democracy* outdoors in a town in Lincoln County. Schedule, 4–5 PM: Wed, Oct. 15, Waldoboro; Tues, Oct. 20, Wiscasset; Tues, Oct. 27, Damariscotta/Newcastle Bridge; and on Election Day, we'll have visibility rallies at various places. FMI, contact Barb: campaign@lincolncountydemocrats.com.
- DO A LIT DROP IN YOUR NEIGHBORHOOD!** On Oct. 17, we'll kick off a countywide "Lit Drop," meeting at throughout the county: Wiscasset, Whitefield, Boothbay, Damariscotta, and Waldoboro. We'll have printed door hangers for you to leave at homes of likely Democratic voters in your neighborhood who haven't yet cast a ballot. [Sign up here](#) to join the Brigade.
- CANVASS!** Just in—The Maine Democratic Party is taking VP Biden up on his suggestion that we all get out and canvass as we get closer to Election Day. Canvassing is a very effective method but will be different this year. If you want to talk to voters at their doors, [attend a training](#) and then [sign up for a shift](#). FMI, contact Josh at jcaldwell@mainedems.org.
- JOIN THE LETTER-WRITING TEAM!** Nearly 100 people are writing notes on letters to various target audiences in Lincoln County, but we can always use more help. Contact Barb to join this team at campaign@lincolncountydemocrats.com. Letters to the editor with your personal stories about how our candidates share your values are also encouraged. [Sign up here](#).
- FRIEND BANK!** Talk to neighbors, friends, and family and see how they plan to vote. Then enter that information in the Reach program. Once you've "IDed" them, the campaign no longer needs to contact them to confirm their support. This powerful tool allows us to reach many more people than we otherwise would have. [Click to learn more and download Reach](#). For technical help, contact our Maine Democrats Coordinated Campaign organizer Josh at jcaldwell@mainedems.org.
- BE A SIGN STEWARD!** We have had many campaign signs destroyed or stolen. This is illegal and the sheriff's department asks that you report it (207) 882-7332. If you do see a prominent place that needs a sign, [check to see what signs are available here](#). Then pick up the signs at our Damariscotta headquarters: 521 Main St., (up and around behind Subway).
- BAG THOSE MISSING VOTERS!** But that's not all! In the final weeks of the campaign, we'll be putting together **texting** and **phone banking** lists to contact those Democratic-leaning voters who haven't yet cast their ballots. If you'd like to take part (it's fun, quick, and easy), [sign up here!](#)
