

Lincoln County Democratic Committee

2020 Campaign Field Organizer Interns – Job Description

We are hiring three interns to do crucial canvassing in our “Connection for Change” campaign

Field Team: Three part-time intern field organizers will be hired to contact targets and report results. They will be trained to use the Voter Action Network database, set targets and numerical goals, hold or attend local gatherings, knock on doors and talk with targets, and interpret and report their data.

Weekend availability is a must, as is access to a car.

We are looking for people who:

- enjoy talking with people from varying backgrounds and learning about their concerns and hopes for the future.
- live in Lincoln County, Maine, or have spent time here and are familiar with Lincoln County towns.
- are committed to the values of the Lincoln County Democratic Committee (see LincolnCountyDemocrats.com).
- are comfortable with technology; they will be using the "minivan." (We will provide the specific training.)
- have connections to people under age 25 in the community, a segment whose turnout could be a determining factor in the 2020 election but are more difficult to connect with.

These are internship positions. The internships will run for eight weeks each, in staggered but overlapping blocks, probably something like: June 1 - July 31; July 1 - September 1; August 15 - October 15. The interns will work 25 hours per week (more than half of the hours will likely be Saturdays and Sundays) and be directly supervised by the Field Director. The stipend for each internship is \$2500.

The interns will be fully trained but should be comfortable with the idea of talking with strangers and should be able to withstand potentially discouraging responses to their overtures. An ability to project a positive outlook is essential.

If you or someone you know would be interested, please encourage them to contact BarbBurtCampaign@protonmail.com to initiate a conversation. The internships will be filled as soon as suitable candidates are found.

LCDC is an equal opportunity employer and encourages applicants of all backgrounds to apply.
